The world of long term care is full of everchanging ideas and perspectives. Even so, at Heritage Manor of Slidell, resident and family needs continue to remain the center focus of nursing care for the citizens of Slidell and surrounding Louisiana communities.

Friendly and personalized treatment under the direction of the resident's personal physician is given in a manner intended to not only meet our residents' needs for medical care, but to also motivate them to enjoy a full spiritual, social, and recreational life. The entire staff is trained to give residents the warm and pleasant relationship they need to assist in their recovery and to make their days in the facility as rewarding as possible.

Nestled in the heart of Slidell's medical community, Heritage Manor exercises a group approach to long term nursing care by educating families, providing individualized Care Plan meetings, and aiding with difficult decisions that may come in regards to the healthcare of their loved one.
